SYNCHRO CHUCK

ER TAP COLLET

New tap designs for high-speed tapping in steel, stainless steel and aluminum applications:

- ▶ Up to three times faster spindle speed
- ▶ For cutting and forming
- ▶ A combination of geometry and HSS-PM for greater wear resistance and longer tool life

### BUNDLE & \$AVE

when you buy any Synchro Tap system that includes 6 Synchro Taps, 1 high-performance Synchro Chuck, plus 1 ER Tap Collet!

6 + 1 + 1

**Take on steel, stainless steel and aluminum with these new maximum-productivity tapping solutions.**
