

# Customization Instructions for General Purpose Endmills Sales Flyer - Option 1: accommodates a product line name

FILENAME:

**GP\_Endmills\_CustomFlyer\_1.docx** (Microsoft Word document) OR **GP\_Endmills\_CustomFlyer\_1.pdf** (PDF file)

- ▶ Choose the file format you or your local printer is most comfortable working with and download the file(s). You may pick from a Word document or a high-resolution PDF file.
- ▶ Type in the product line name in the designated area at the top of both the front and back side **A**.
- ▶ There is a blank area toward the bottom of both the front and back side where you can import your company logo (Word document version) or have your printer place your company logo (PDF version) **B**.
- ▶ At the bottom of the back side there is an area to enter the desired contact information **C**.
